

IF YOU WANT TO RETURN A PRODUCT YOU'VE PURCHASED, IT MUST BE UNOPENED, WITH THE RECEIPT AND ALL ORIGINAL PACKAGING WITHIN 30 DAYS.

This includes the original label, boxes and plastic containers. Products must be unopened and in the original packaging for a full refund or store credit.

Products must be returned to the same location at which they were purchased.

If your product is broken or defective, we also ask that you send an email to the grower of the defective product (grower email addresses are on our medical marijuana grower pages), and copy info@solevowellness.com before coming in.

Please briefly explain the issue you experienced and state that you are returning it to our dispensary for an exchange or refund. This helps promote visibility to issues that growers should be aware of, and also helps keep our whole Solevo team in the loop.
